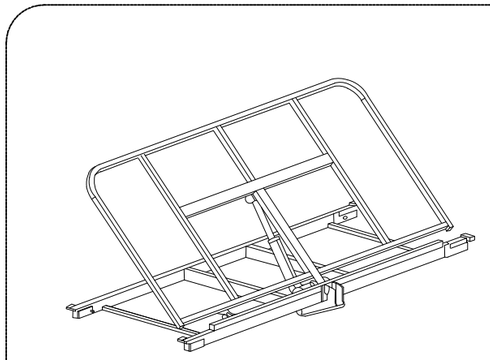
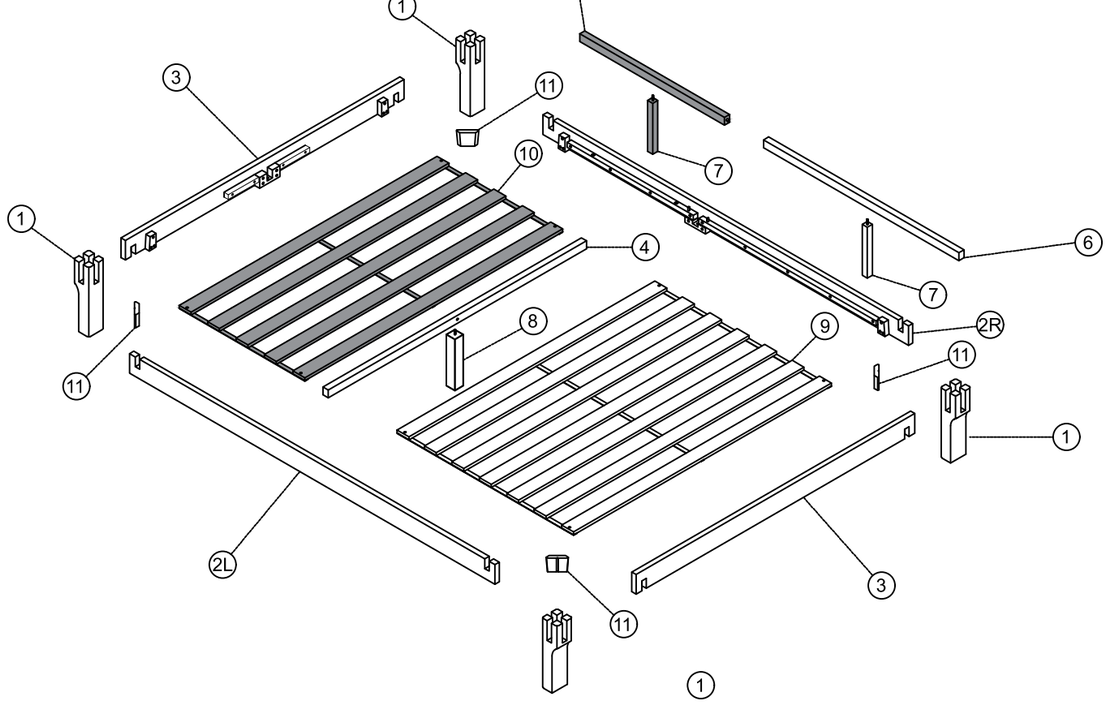
01

- If you are installing the adjustable half bed, there is no need to install parts labeled " 10", "7" "5" (highlighted in darker color).
- For instructions on installing the adjustable half bed, please refer to the corresponding installation manual.



Adjustable Half Bed

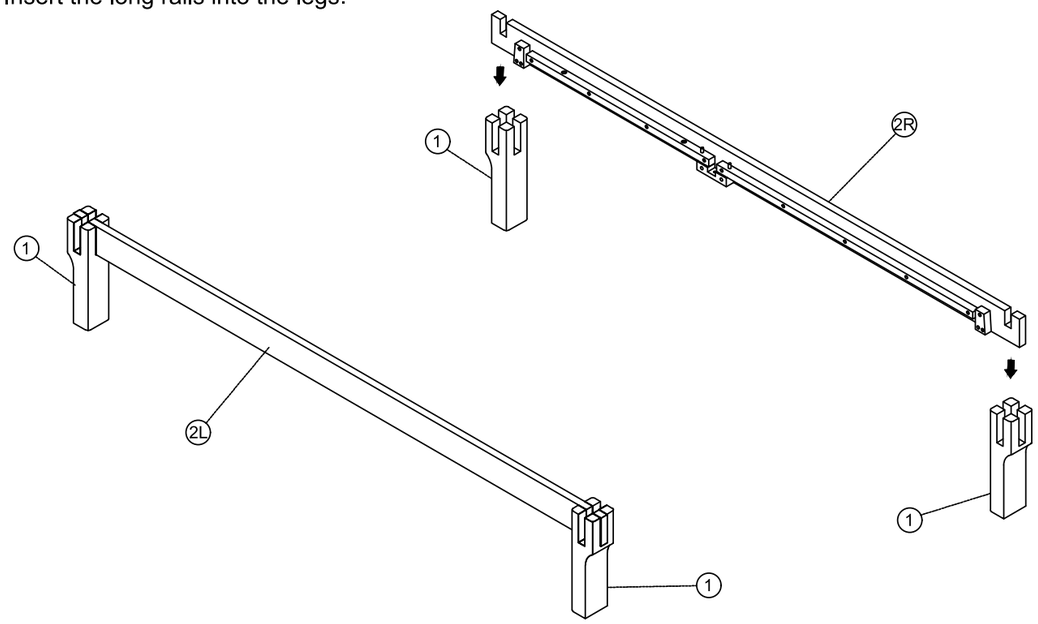


02

Assembly Instructions

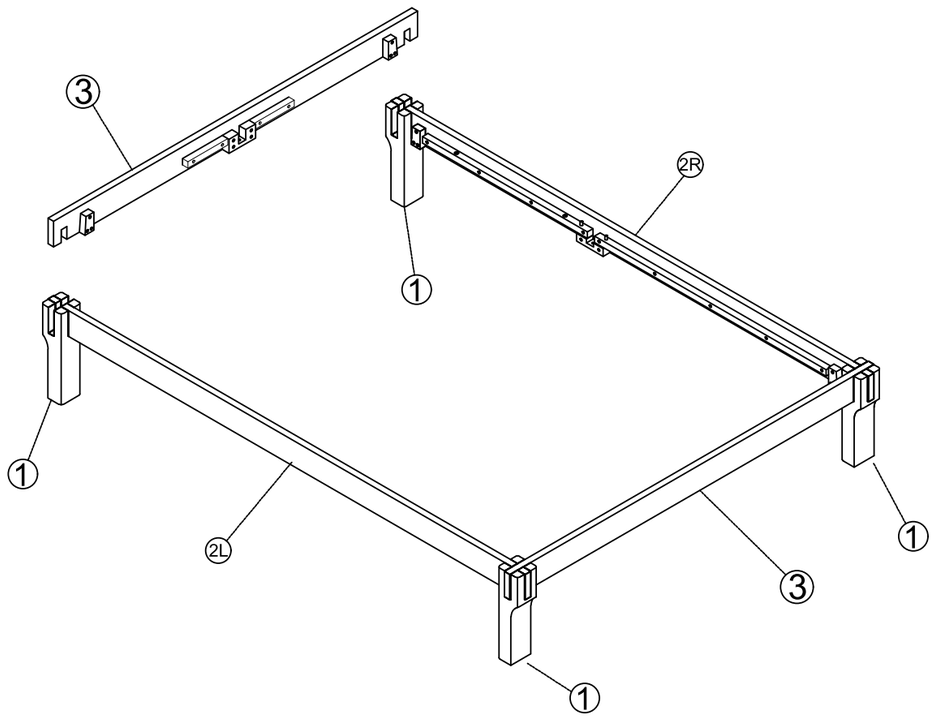
STEP 1

Insert the long rails into the legs.



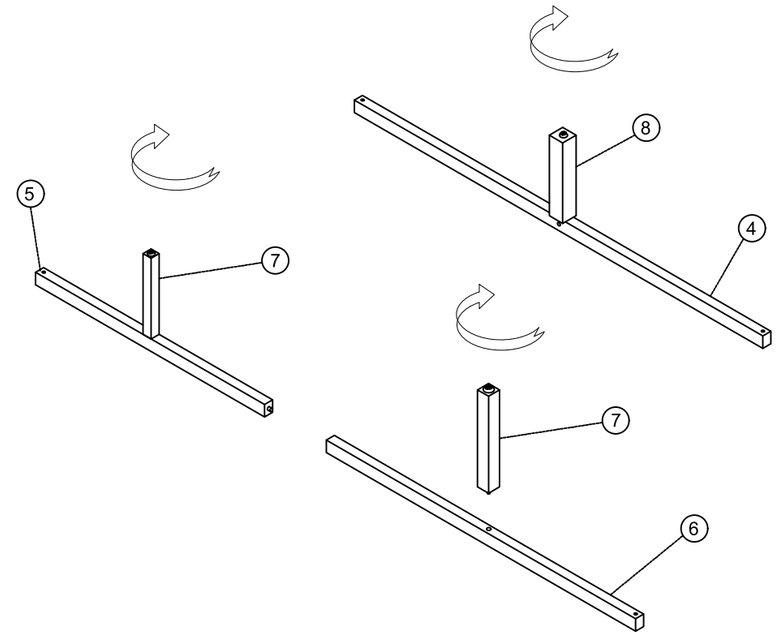
STEP 2

Insert the long rails into the legs.



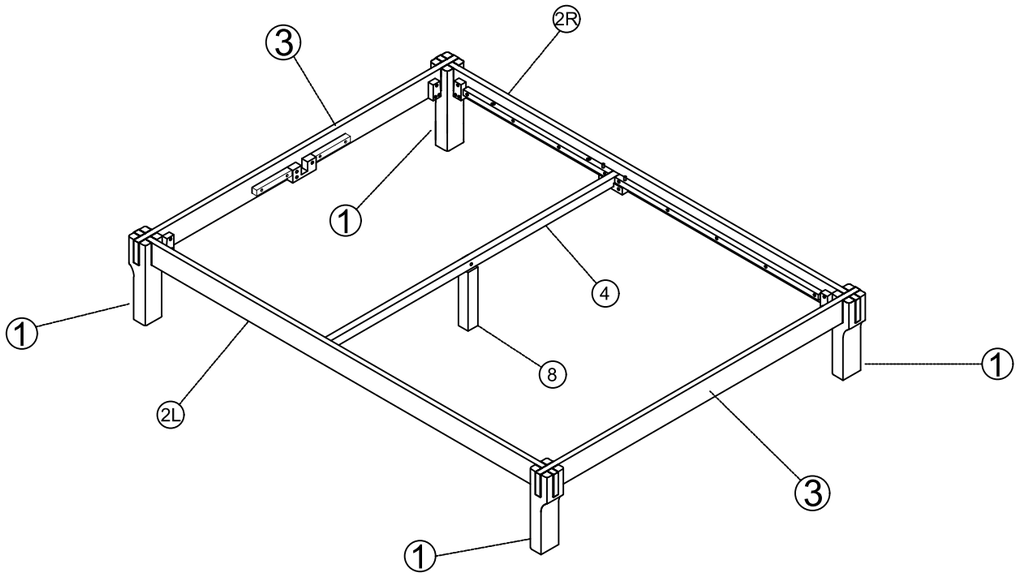
STEP 3

Screw the support legs into the support bar.



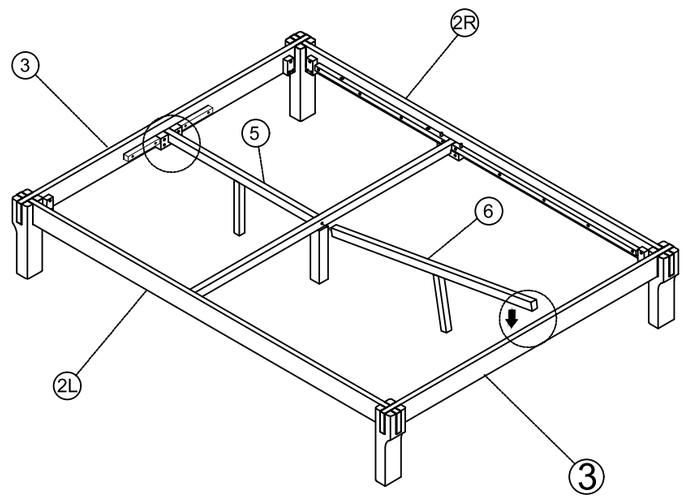
STEP 4

Connect the support bar A to the Long Rail Left and Long Rail Right.



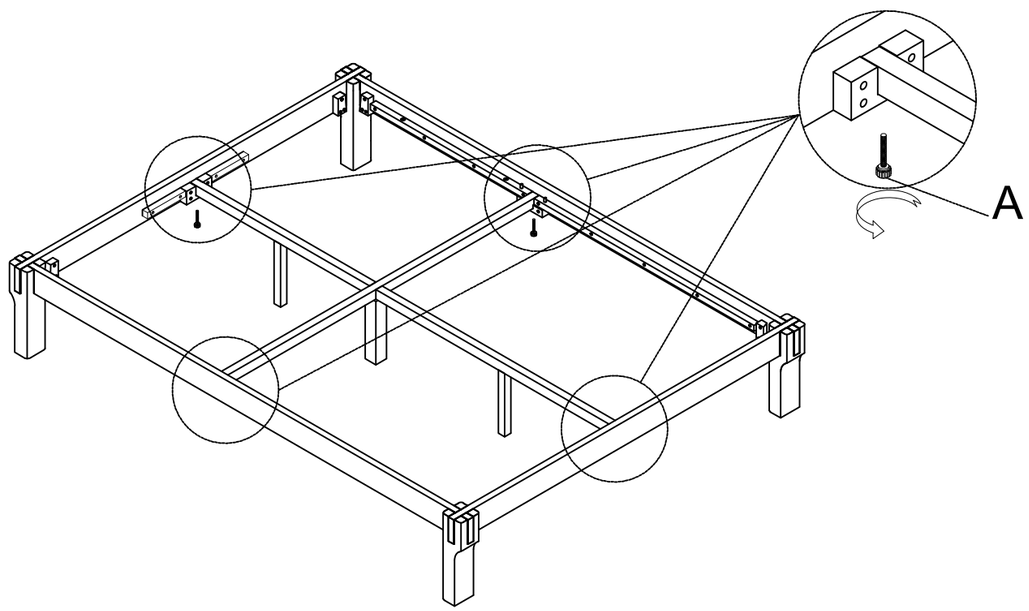
STEP 5

Connect the support bar B & support bar C to the short rails.



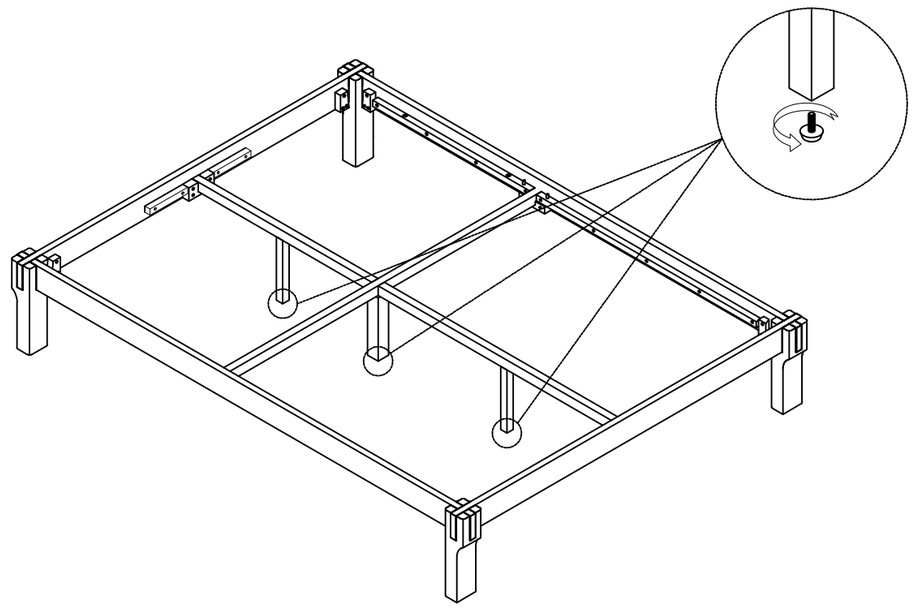
STEP 6

Hand tighten the screws A.



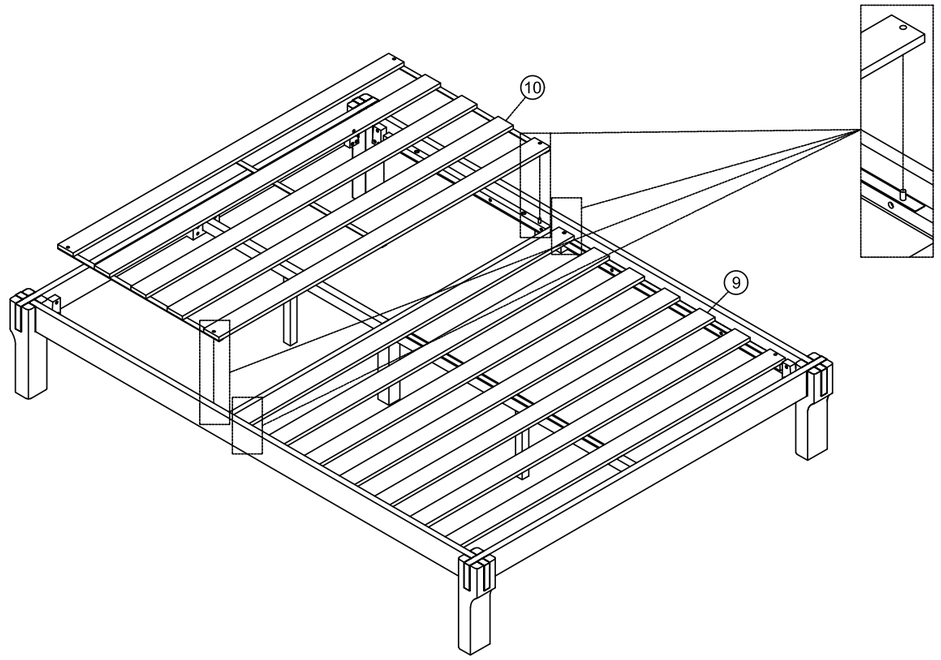
STEP 7

Adjust the leveling feet of the Support Legs so that the Center Support Bar is even and flush with the bed frame.



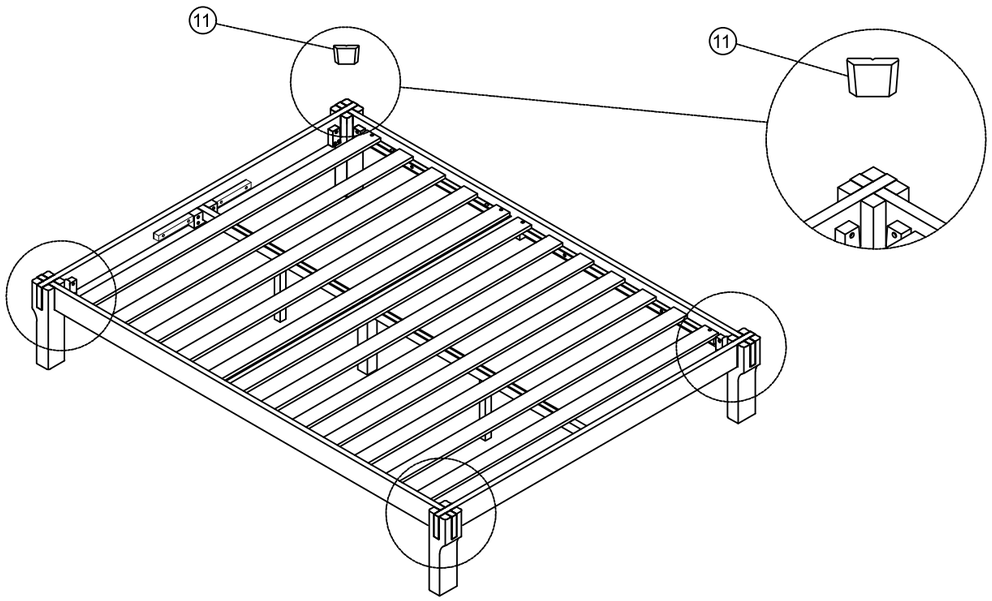
STEP 8

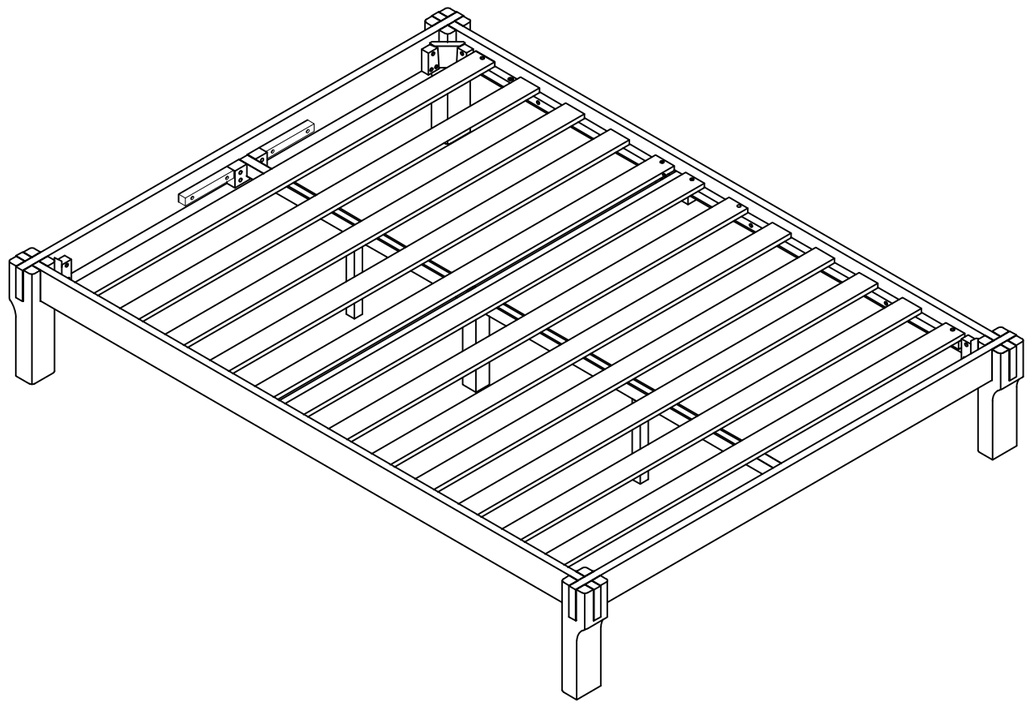
A. Lay the slats at the head of the bed. You'll notice a slat stop on the frame and a matching hole on the first slat - simply align the hole with the stop and press it into place.
B. Repeat the same process at the foot of the bed to secure the slats on center.



STEP 9

Press the wooden wedges firmly into place by hand, or use a rubber mallet for a snug fit.





Enjoy
